Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

Regarding claim 14, the prior art fails to teach or fairly suggest the series of steps recited, particularly the steps of positioning metal felt adjacent to a metal substrate, positioning a porous exoskeleton member adjacent to the metal felt, grit blasting both the metal substrate and the metal exoskeleton member and applying heat sufficient to cause the metal felt to adhere to both the porous metal exoskeleton member and the metal substrate wherein a temperature of 1100 C is attained by the metal felt, the metal substrate, and the porous metal exoskeleton member during the step of applying heat.

Applicant incorporated the previously indicated allowable subject matter of claim 14 including all the limitations of the base claim and all intervening claims into amended claim 14.

Regarding claim 15, the prior art fails to teach or fairly suggest the series of steps recited, particularly the steps of positioning metal felt adjacent to a metal substrate, positioning a porous exoskeleton member adjacent to the metal felt, applying brazing material between the metal felt and metal substrate as well as between the metal felt and the porous exoskeleton member and grit blasting both the metal substrate and the metal exoskeleton member and applying heat sufficient to cause the metal felt to adhere to both the porous metal exoskeleton member and the metal substrate wherein a

temperature of 1100 C is attained by the metal felt, the metal substrate, and the porous metal exoskeleton member during the step of applying heat.

Applicant incorporated the previously indicated allowable subject matter of claim 15 including all the limitations of the base claim and all intervening claims into amended claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
